EXAMINER'S AMENDMENT

The application has been amended as follows: Cancel claims 15-18.

Note that these claims were non-elected without traverse.

Allowable Subject Matter

Claims 1-14 are allowed.

The following is an examiner's statement of reasons for allowance: at a minimum, the prior art does not show nor fairly suggest a substrate and vibrator with pins holding the vibrator from the substrate wherein the pins are themselves held by a conductive adhesive made of resin including a conductive filler that has a pencil hardness of about 4H or less furthermore being thick enough so that vibrations are sufficiently buffered in the structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Direct inquiry to Examiner Dougherty at (571) 272-2022.
